## ARKANSAS

### SPECIAL EDITIONS OF CERTIFIED TERRORISM ENDORSEMENTS AVAILABLE

Reference Bulletin 02-0550

Copies of the special **05 03** editions of the certified terrorism endorsements that have been filed for use in the state of Arkansas are attached to this Bulletin.

At the request of the Arkansas Department of Insurance, the definition of "certified act of terrorism" was revised in all of the endorsements that cover or exclude certified terrorism loss. The revised definition includes the provisions that prohibit the Secretary of the Treasury from certifying an act of terrorism. Specifically, no act will be certified by the Secretary as an act of terrorism if the act is committed as part of the course of a war declared by the Congress (except with respect to any coverage for workers' compensation) or if property and casualty insurance losses resulting from the act do not exceed \$5,000,000 in the aggregate.

While the added terms do not affect the scope of coverage provided or excluded under the AAIS endorsements previously made available, AAIS affiliates are advised to keep these limitations in mind in determining when coverage is or is not provided with respect to loss caused by an act of terrorism.

## FILING NUMBERS

The endorsements described in this bulletin have been placed on file in the state of Arkansas. Refer to the following filing numbers in all correspondence directed to the insurance department.

Commercial Umbrella and Farm Umbrella	AAIS-2002-84

## COMPANY ACTION

Companies should begin using the new **05 03** endorsement editions as soon as possible. The Arkansas Insurance Department has indicated that companies will not be required to amend policies already issued to reflect the change in endorsement editions.

### Endorsements

#### Commercial Lines Programs Other Than Inland Marine Guide and Umbrellas

Companies that have granted AAIS filing authority for forms and endorsements can adopt the endorsements without notifying the insurance department.

#### Inland Marine Guide

In Arkansas, companies are required to file endorsements and rules for non-filed inland marine classes. Companies affiliated for the Inland Marine Guide must make an independent filing to use the special **05 03** editions of the certified terrorism endorsements for all Inland Marine Guide classes except Yacht. For companies that have already submitted a filing of the **12 02** editions and have received an objection, it is recommended that the **05 03** editions be included with your filing response.

Note: The certified terrorism endorsements are incompatible with the forms and endorsements shown for the Yacht class.

*Commercial and Farm Umbrella Programs*

Each company that wishes to adopt these endorsements must do so by establishing an effective date and notifying the Insurance Department in writing.
